# WORLD-CLASS GOLF & PUTTING COURSE

## *The Saddle*

Named for the beautiful terrain that runs between two mountain ridges, The Saddle at GlenCove is a lighted, 12-hole, par three walking course for all ages and skill levels with a putting course and short-game practice area.

It's a place for friends, couples and families to experience the serenity of the land up close and personal while enjoying friendly competition. The dusk hours will be magical along The Saddle, as the course lights bring a magical ambiance to the landscape. Inside the recreation barn, the state-of-the-art golf simulator lounge will be a favorite spot for getting your game on with friends while off the course.

PGA Instruction

“The Saddle was designed with the spirit of community in mind. From the outset, the goal was to create a truly relaxed and fun short course that would be enjoyable for all ages and skill levels—a golf experience that would be enjoyable for the multi-generational nature of Old Edwards’ members and guests.”

MATTHEW CLAYTON  
Head Farmer

“Farmer Matt” is perfectly poised to bring the wellness community vision to life. His last three years have been spent managing the farm at Serenbe, an agrihood community outside of Atlanta, which also features a Community Supported Agriculture (CSA). Matthew and his wife, Kali ran the 25-acre Serenbe Farms—a USDA Certified Organic farm—while working with chefs in Serenbe’s restaurants and providing for a 30-week, 125-member CSA program each year.

## What is a CSA?

Community-supported agriculture (CSA) is a food production and distribution system that directly connects farmers and consumers. It is a wonderful way for families and individuals to embrace seasonal eating and to try new things each year! Come join our farm family and enjoy one of the freshest nutrient dense ways to enrich your life.
